You can train this tool to create and post content on social media, conveying messages exactly the way your brand would bring it to your audience based on your previous posts.

Schedule and take a break to focus on other aspect of your business."

Try our tool today and experience the power of AI automation for yourself on social media.

Influencers and Creators

"We have tools to help influencers productively engage with their audience on all social media platforms.

Our content creation tool allows Influencers and Creators to automate content creation by using AI to generate videos, images, stories based on related topics, and schedules to be posted at varying times.

While this tool was developed to help Influencers grow thier audience organically, it also provides various health benefits such as reducing The pressure of keeping up a persona, reduce social media related anxiety, burnout, and help avoid Online hate and abuse.

Our messaging tool allows users to invite their audience to join their private messaging group on their mobile devices. This frees them from the algorithm constraints of social media platforms, which can limit their growth potential.

Influencers and Creators are introduced and exposed to brand advertisers based on product categories. This gives them maximum exposure to brand sponsorships, and exellent opportunity to monetize thier audience locally."

Affiliate program

"It's easy to earn on ForgedMart and you don't have to wait for your affiliate payout like you do with other programs that typically pay out on the first or middle of the month. With ForgedMart affiliate

program, you can refer your friends and get paid on the same day they sign up - Thanks to our partnership with Stripe."

Retention of Your Personal Data

The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.

Retention of Your Personal Data

Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

Business Transaction

If the Company is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred. We will provide notice before Your Personal Data is transferred and becomes subject to a different Privacy Policy.

Law enforcement

Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Other legal requirements

The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:

Comply with a legal obligation

Protect and defend the rights or property of the Company

Prevent or investigate possible wrongdoing in connection with the Service

Protect the personal safety of Users of the Service or the public

Protect against legal liability

Security of Your Personal Data

The security of Your Personal Data is important to Us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.
